KINGSTON MAURWARD

We are a vibrant land-based College in
Dorchester Dorset.

We have a beautiful and inspiring
campus that includes an 18th century
manor house, grade II listed gardens, a
working farm and
our newly renovated
animal park.

KINGSTON MAURWARD

We specialise in providing a wide range of courses that allow students to use state-of-the-art facilities preparing them for a career in the land-based sector.

KINGSTON MAURWARD

We deliver full time programmes,
short courses,
entry-level courses,
apprenticeships and
degree-level programmes.

We specialise in providing a wide range
of courses that allow students to use
state-of-the-art facilities preparing them
for a career in the land-based sector.

Give students an insight to industry. They get to experience real working life

IMPORTANCE

Entry-point for young people into the industry
Encouraging the next generation...

Students can begin to understand what knowledge, skills and behaviours are necessary to succeed in a particular industry

Students develop industry-standard practical, technical and professional skills in a role directly relevant to their vocational course

Networking opportunities

Industry-relevant reference

Work placements give students a competitive advantage to securing skilled employment in the future

Students exchange the ideas and knowledge they are gaining from college with employers

Employers have an opportunity to develop their staff through mentoring and coaching a work placement student
