- Bill documents

## Unpaid Work Experience (Prohibition) Bill [HL] 2017-19

**Type of Bill:** Private Members' Bill (Starting in the House of Lords)  
**Sponsors:** Lord Holmes of Richmond  
Alec Shelbrooke

### Progress of the Bill

*If you want to work as an ecologist or conservation biologist for the government, a private firm or a charity, you need experience. A degree, Masters or even a PhD is unlikely to be enough unless you have practical experience working in the area.*

Students Against Unpaid Placements: 2017

## 2018-19 BU Final Year Students

- 1/3 of students studying an environmental placement
- Of these, 22% worked in Dorset
- Of these only one received payment of any kind

# Words to describe our students

Created by
