

Wednesday 14th December, 2017

It's beginning to look a lot like Christmas in the garden here. We have been busy making Christmas wreaths and a garland, to decorate our wonderful garden for Christmas. We have used lots of lovely greenery to create these festive adornments to the garden.

It's not too late to take a look at what we have done, and get some inspiration to try one yourself. There is still time before the 25th.

It has been a great year in the garden, with the borders all doing well, the wildlife pond continuing to mature, the chamomile lawn becoming well established, and super colours in the flower meadow.

We look forward very much to seeing what next year will bring.

A very Merry Christmas from the Hengistbury Head Wildlife Gardeners.
